Add \$.30 To Print Price for Dark Garments

ART: Please send us the highest DPI (quality) or vector based art that you have. We prefer .AI, EPS, or .CDR, files that are not bitmap embedded images. Raster images should be saved as ..TIFF on color or .PSD document with layers (multi-color) whenever possible. Please remember to convert all text outlines or curves as opposed to fonts. All other formats may require additional art charge of \$60 per hour, \$15 minimum.
